Staff Development 1

Our entire staff voted to have Kim Adsit come to campus to conduct a whole day staff development in the area of literacy (specifically writing). Two of our teachers attended a conference during the 2014-15 school year using our Title II money and felt that it was a valuable conference that our entire staff would benefit from. The PD is \$4,400. Our plan is to utilize all of our Title II money for this staff development. The remainder would be paid by our PTA.

Safe and Orderly schools	
Review of the SIP plan and notification of changes	As a part of our continuous improvement process, all schools create 2 year School Improvement plans. At the end of the first year of the plan and once test scores are received, the School Improvement Team will review both academic and organizational goals and make changes as needed. The superintendent's designee will be informed when the plan has been changed.
